Dr Michael Robson **Consultant nephrologist**

Terms and Conditions for Medico-Legal work

My current terms of engagement are:

1. My current hourly fee rate is £200 plus VAT for all time spent on a case.
2. A higher hourly rate may be charged if a medical reporting organisation (MRO) charge me a fee, or if deferred payment terms are agreed.
3. Alternatively, a fixed fee may be mutually agreed before starting work.
4. I reserve the right to vary my hourly rate from time to time, including the period between writing a report and being asked to perform further work on a case.
5. The instructing solicitor will be liable for payment of the fees and expenses.
6. Where I am instructed as a Single Joint Expert by the solicitors of both parties, both firms of Instructing Solicitors will be jointly and severally liable for the fees and expenses.
7. Where I am instructed by an MRO which has itself been instructed by solicitors, both the MRO and its Instructing Solicitors will be jointly and severally liable for payment of the fees and expenses.
8. I will invoice you for any reasonable expenses at cost. Copies of receipts will be provided should they be requested.
9. My rate for attending Court Hearings is £2000 plus VAT per day (or part of a day) plus travel expenses and accommodation. This includes time for travelling and waiting. I expect payment even if I do not give oral evidence. The fee is the same if evidence is given remotely.
10. I do not charge a cancellation fee for court hearings.
11. Payment will be made within 90 days of invoice date, irrespective of whether your client has paid you.
12. Should accounts not be settled within the agreed period, at my discretion, I have the right to charge interest on unpaid accounts at the rate of 2% a month, or part of a month, until full settlement is received.
